

~~~ **VIRTUAL & MINNEAPOLIS / ST PAUL AREA JOB TRANSITION GROUPS** ~~~

Updated 1/24/2024

Job Transition Groups vary in format, location and either in-person or virtually. They often host guest speakers, offer group discussions on topics related to job search, and allow opportunity to network with other job seekers. Please share this list with career transition organizations, recruiters, employment agencies, churches, CareerForce Centers and individuals seeking employment to allow job seekers to choose a group that meets their needs.
